## ADMISSION OF PUPILS: YEAR 2014

### Mission Statement

The aim of St. Cyprian's Greek Orthodox Academy is to provide its children with a primary education of the highest quality in a supportive learning environment, through the National Curriculum, enriched by the progressive learning of the Greek Language, culture and Christian Orthodox religion. The children of St Cyprian's Greek Orthodox School will be equipped with the knowledge, skills and spirituality to enable them to achieve their full potential and to prepare them to contribute positively to the challenges of a diverse multi-cultural society.

### Admission Policy Nursery

Up to 52 boys and girls will be admitted in the academic year of their fourth birthday. Children with Special Educational Needs must be taken into account when determining and applying a schools admission number. Accordingly, if a child with Special Educational Needs Statement is admitted to the school during a normal admission round they will be counted towards the admission number when considering if there is a place available for another child without a statement. All children whose statement of special educational needs names the school must be admitted.

In the event of the number of applications for admission exceeding the number of places available, the Governing Body will apply the following oversubscription criteria in the order set out below, in order to decide which children to admit:

- 1) Looked after children and previously looked after children (see note 1)
- 2) Children with one or more parents who regularly worship at a Greek Orthodox Church
- 3) Children with one or more parents whose Greek Orthodox religion has lapsed or who do not regularly worship
- 4) Children with one or more parents who regularly worship at other Christian Orthodox churches
- 5) Children with one or more parents who regularly worship at a Catholic Church
- 6) Children with one or more parents who regularly worship at a Christian church.
- 7) Any other children.

If an application is made under the "looked –after" criterion, it must be supported by a letter from the relevant Local Authority (Children's Services) Department.

### Note 1

**Previously looked after** children are children who were looked after, but ceased to be so because they were adopted or became subject to a residence order or special guardianship order, immediately after being looked after.

If an application is made under the 'looked after' criterion, it must be supported by a letter from the relevant Local Authority Children's Services Department. If applying under the 'previously looked after' criterion, a copy of the adoption or special guardianship order must be supplied.

**Looked after children** are defined as children in public care at the date on which the application is made. A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions

(see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

### **Waiting Lists and Deferred Entry**

Waiting lists for each year group will be maintained for one term in the academic year of admission.

Parents of children who are offered a place at the school before they are of compulsory school age may defer their child's entry until later in the school year. The place will be held for the child and not offered to another child. Parents may not however, defer entry beyond the beginning of the term after the child's fifth birthday, not beyond the academic year for which the original application was accepted.

### **Tie Breaker**

In the event that the number of applications exceeds the places available within any of the above categories, random allocation will be used to decide between applications. This process will be independently verified.

### **Appeals**

Parents who have been unsuccessful in their application have the right to appeal against the decision of the Governing Body. Parents are informed of their right to appeal in their letter and all forms and additional letters etc must be received by the school by the date stated. Parents may also request that their application is kept on file until a place becomes available. The school will hold its waiting list for a minimum of one term. During this time the pupil must remain on the roll of another school. When a place becomes available, all current applications for a place in the year group will be considered in accordance with the criteria of the Admission policy.

The school will not, therefore, maintain an ordered waiting list. Information can be provided to parents about the order of priority of applications being held at a particular time but no guarantee can be given that higher order applications will not be received by a time a place becomes available.

Parents are reminded that children are admitted on the Admission Policy and the Admission Criteria in place at the time of the child's consideration for admission to the school.

Under our Admissions Procedure parents will be sent a supplementary information form, in the academic year preceding the proposed year of entry, which you are strongly advised to complete.

### **Nursery Applications**

To apply for a place in the Nursery, please complete the Supplementary Information Form which should be returned to the school.
