

WORLD WAR II

After we had the pleasure of watching a theatre production, which was based on the struggles during the times of World War II, we would like you to write a diary entry!

Your diary entry is to be written from the perspective of a child being evacuated during the war. Please include the following details:

- Write in extended sentences with relative clauses (sentences extended by replacing pronouns with who, which, when, whose, while and that).
- Include a detailed setting description using your senses (What do you see, hear, smell, taste and feel). Focus particularly on thoughts and feeling during key events.
- Write as the character - in 1st person
- Include details of the war including: rations, evacuation and traumatic experiences (such as being present during an air raid etc)

For support, you may find the following link useful (World War II through the eyes of a child living in London).
