We recommend that children practice using the look-cover-write technique, as well as saying out loud.</p> <p>This week for home learning, I have set the following Spellings:</p> <p><b>Ulcer, acid, balanced, cease, scarce, convince, crevice, descent, glacier, circulation, precede, capacity, preference, ceramics, procedure, replaceable, existence, ancient, proceed, announce.</b></p> <p>Children should practice these spellings (also available on Spellodrome) and put them into a sentence. If the children are unaware of the meaning of any of these spellings, we encourage children to use a dictionary to help them.</p> |
