Dear Parent/Carers,

21st September 2016

You are invited to give your opinion in a focus group on Monday 10th October at 9-10am at St Cyprian's Primary Academy. Your school has been participating in **Cleaner Air 4 Schools**, an exciting borough initiative that builds on the STARS programme and looks at sustainable travel. It has been one of twelve schools participating across Wandsworth, Richmond, Merton and Croydon.

What is Cleaner Air 4 Schools?

Cleaner Air 4 Schools is a fun and educational programme designed to teach students about air pollution.

How does it work?

London Sustainability Exchange have led sessions with the children which included practical elements and citizen science experiments as well as a visit from the Big Wheel theatre company, students also designed posters and banners.

Why a focus group?

We wish to extend our knowledge of what concerns you, and what is important to you in how you and your child travel to school. This will feed into our travel plan recommendations to the school and wider recommendations to the Borough.

What do I need to do now?

If you are interested to take part please contact the school office.

Who are LSx?

London Sustainability Exchange (LSx) are a non-profit organisation who connect and motivate Londoner's to be sustainable. LSx designed the Cleaner Air 4 Schools programme in 2011 with the London Mayor.

For more information
