

Year 1 Home Learning

Learning: to create a weather symbol

Next half term we will be learning about the weather and seasons. Your task is to create your own weather symbol.

Here are some ideas for you, however you are encouraged to use your imagination and get creative.

*We look forward to seeing your symbols.
Good luck!*

Your Home Learning is due on 1st November 2016. If you need any help, please come and see us.
