

Using Sources of Evidence

In order for us to learn about the Maya, we examine evidence that helps us to understand what it was like in the past.

How many types of evidence can you think of? What does each one tell us? Which do you think are the most important sources of evidence? Are all the sources reliable? Why/why not?

Evidence source	What can it tell us?	Is it a primary or secondary source of evidence?	Other information... How reliable do you think the source is?

Challenge Question: How/why can the same evidence be interpreted in different ways?
