

YEAR 1 HOME LEARNING

Date Set	02.10.20
Date Due	07.10.20
Purple mash (spelling, writing, topic)	<p>Purple mash logins can be found inside reading records.</p> <p>Tasks include:</p> <ul style="list-style-type: none">• Create a St Cyprian's day• Spellings <p>Please look below to see the sounds your child's group are currently working on.</p> <p>Raindrops: set 3 sounds (aw, are, ur, er, ow)</p> <p>Rainbows: set 1 (th, ch, qu, ng, nk, ay)</p> <p>Sunrays: set 1 (th, ch, qu, ng, nk)</p> <p>Snowflakes: set 2 (oo- long, oo- short, ar, or, air)</p>
Mathletics	<p>Logins can be found inside reading records.</p> <p>This week's activities;</p> <p>Order numbers</p> <p>Addition facts</p>
Reading	<p>Recommended daily reading time: KSI 15-20 minutes.</p> <p>We change the reading books on a regular basis. However, this may not be done daily as we're developing a more enriched reading experience. We want to create a culture where the children enjoy talking about a book as well as reading aloud. The conversation you have with your child about the book they are reading is invaluable.</p> <p>We would like children to read the book several times in order to fully engage with the text and have a deeper understanding of the vocabulary and themes involved.</p> <p>Some question ideas: who is the main character? what happened? why did he / she do that? what does that word mean?</p> <ul style="list-style-type: none">• Please sign and/ or write a comment on how your child is getting along.• When they are ready to change their books, they will share the reading record with their teacher. The teacher will acknowledge the comment/ signature with a stamp, signature or comment.

Home Learning Project

Hand in date: *Friday 9th October 2020*

Learning: to research your class island (Cyprus or Skiathos).

Your task is to use the internet and the library to research facts and information about your class island. Try to find information about the island's such as weather, the types of food the people eat there, and why tourists should visit the island.

You can make a 3D poster, or be creative and show your learning in another way (no bigger than A3). Please try to put the information into your own words, and not directly copy from books or the internet.

We look forward to seeing your completed projects. Good luck!
