Reading	<p>Recommended daily reading time: KSI 15-20 minutes.</p> <p>We change the reading books on a regular basis. However, this may not be done daily as we're developing a more enriched reading experience. We want to create a culture where the children enjoy talking about a book as well as reading aloud. The conversation you have with your child about the book they are reading is invaluable.</p> <p>We would like children to read the book several times in order to fully engage with the text and have a deeper understanding of the vocabulary and themes involved.</p> <p>Some question ideas: who is the main character? what happened? why did he / she do that? what does that word mean?</p> <ul style="list-style-type: none">• Please sign and/ or write a comment on how your child is getting along.• When they are ready to change their books, they will share the reading record with their teacher. The teacher will acknowledge the comment/ signature with a stamp, signature or comment.
