Additional activity..

Can you find the number to complete the number bond?

6 + ? = 20

7 + ? = 20

8 + ? = 20

9 + ? = 20

10 + ? = 20

use 20 small items in your home to help.
e.g. 20 buttons or 20 lego pieces. You can split them into groups like...

6 + ? = 20 . Split the 20 items into 6 and the rest. Then count the rest to find the missing number.
