

Crime Prevention and Detection Cards

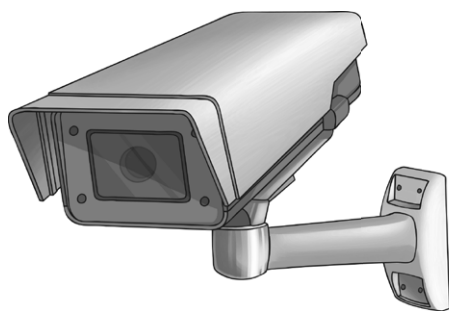

With your partner, choose one of the cards to talk about. Discuss these questions:

1. Does it help to stop crime from happening? How? Or does it help to catch the criminal and/or solve the crime? Or does it do both?
2. Did this exist in an earlier historical period? When?

DNA testing

CCTV or video footage

Use of fingerprints

Neighbourhood watch

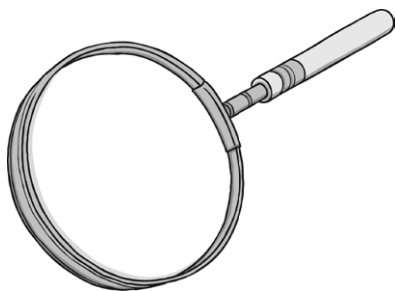

Trial by judge and jury

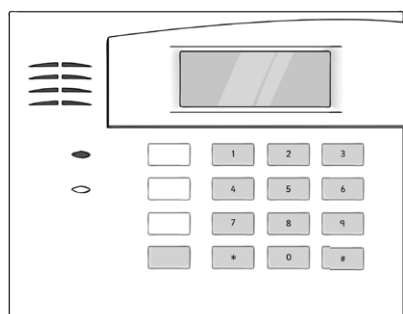

Police

Witness to a crime

House and car alarms

Improved street lighting
