# Spot Mr Whoops' Mistakes Activity 1

My favorite day of the week has always been a Sunday. Even as a young boy, I rimembur Sundays being diferent and speshial. Most weeks, I would visit Granny Whoops' house, where we would have roast beef, mashed potatos and Yorkshire puddings. Although she was famos for her huge portions, I would make every last mouthful disapere. One Sunday lunchtime, I accidentilly tripped while carrying my plate. Luckily, Granny corght it but got covered in gravy! From then on, Granny made me promize never to walk around with crockery ever again. She's such an over-cautious womin!

My most treasured possession is a dinosaur bone fossil, which I found while I was walking through caves in Wales. I don't suppose it's every day that you stumble upon something almost 65 million years old! It must have been there since the days of early man. At first, I thought it was just some kind of strange reflection from the water. I just couldn't believe that such an important piece of history was right there in front of my eyes! The dinosaur probably died in the shallow water and then got buried in the mud. The weight of the mud and the pressure of the water caused the fossil to be formed over thousands of years. I consider it to be a fantastic find!
