

Hope you had a lovely break  
Crete Class.

Welcome back to  
online learning.

# Online learning Rules.

- Please make sure you log in to the lesson on time on each school day.

- Always have a book, pencil, ruler etc to write with. A book will be good to use as your work can be stored together.

- Please use your First own name and write the initial for your second name. This will be used to take the class register so make sure you put your proper name (no nicknames). **E.g. John M**

- Do not unmute yourselves unless you are asked a question or type in the chat.

- The chat is used to answer questions or if you need help.

- To unmute yourself just click on the microphone mute icon.

## Break time:

Try to eat, drink or go to the toilet before or after the lesson.

If you are allocated to a breakout room then this is the group I would like TA to work with.

Please do not have the TV or any other devices on, in the background and try to work in a quiet area so you can limit any distractions for you and for others when you are unmuted. If you are in school remain unmuted unless asked by adult to unmuted.

When I am sharing my screen I am no longer able to see all of you at the same time. This means that I will randomly choose someone to answer. Please ensure you are at your screen.
