Winter

**It is really cold in the winter...**

**It is too cold for some birds so they fly  
away to warmer countries!**

**Cats and dogs grow extra fur so they  
can stay warm...**

**Some animals even sleep throughout the whole of winter and then wake up once it is warm again!**

In the winter it can  
be very windy...

**and very rainy!**

**Sometimes hailstones  
can fall from the sky...**

**and sometimes it's icy.**

**Sometimes it's frosty in the morning...**

**And sometimes it snows!**

To keep our houses warm we light the fire or turn on the heating system.

To keep ourselves warm we wear thick clothes.
