Year 3	Year 4																							
build	extreme,																							
describe	although																							
imagine	breath																							
library	caught,																							
natural	different,																							
ordinary	exercise,																							
promise	medicine,																							
recent	thought,																							
suppose	business,																							
weight	possession																							
<u>SPAG</u>	<p>Year 3 – To Identify and sort synonyms for said. Year 4 – Add punctuation marks to sentences including inverted commas.</p>																							
<u>Writing Task</u>	<p>Add punctuation marks to sentences including inverted commas.</p> <p>For your writing task this week, we would like you to imagine you are the boy holding the magnifying glass. Write a dialogue about what is happening in the picture. You can give each friend a name.</p> <p>You must include direct speech, synonyms instead of said, starting a new line for each person that speaks and remember to include punctuation within the inverted commas, for example, “What is that?”</p>																							
<u>Reading</u>	<p>Recommended daily reading time: KS2 40 minutes.</p>																							
<u>Home Learning Project</u>	<p>Science: State of Matter We would you to carry out this science experiment project: Make your own solid, liquid and gas using orange juice. Use the link for the details. https://learninglabresources.com/2015/02/teach-states-of-matter-using-orange-juice-and-baking-soda-tastes-like-orange-soda.html</p> <p>Write up the experiment in your homelearning book. You could include illustrations or photos.</p> <p>This homework project is due on Wednesday 12th February.</p> <p>Enjoy your weekend!</p>
