Year 4
bicycle
biplane
biped
bicentennial
biannual
bilingual
biscuit
biceps
binoculars
bisect

SPAG

Revise noun types from previous Stages.

Writing Task

When we come back after half term, our first English topic will be poetry therefore as great poets, we would like you to create your own poem on any topic you like.

Reminder – Your poem does not need to be long or rhyme.

Example - Journey to School

Mum, what will we see today?
The same things we see every day?
We might just see a bright red bus
There it goes overtaking us!
A taxi waiting on the bend
Might just pick up my best friend.
We must take care as we drive today,
In case a bike comes along our way.
Mum, what will we see today?
The same things we see every day?

Reading

Recommended daily reading time:
KS2 40 minutes.

Home Learning Project

As our next topic in Geography will be about where our food comes from, we would like you to choose a biome (a large geographical area with specific climate, vegetation and animal life) and create a fact file (A4 or A3) on two foods that come from that region.

You should consider the following questions in your fact file:

- What is the name of the biome?
- How is it used? For example, is it picked and eaten or processed and made?

This homework project is due on Wednesday 4th June.

Enjoy your weekend!
