✏️ What to include:

- What you want to buy (make a list if helpful)
- The prices of the items
- Why your choices are good value for money

	• What you decided not to buy and why • How your choices help you be responsible with money
	⭐ Extra Challenge: • Use words like budget, save, spend, value, cost • Include reasons using words like because, so, therefore • Compare two choices (e.g. "I chose this instead of that because...")
	💡 Helpful Tip: Think about: • Do I really need this? • Is there a cheaper option? • Will it last a long time?
