YEAR 4 HOME LEARNING – Ithaca

Date Set	25.09.26
Date Due	30.09.26
Maths	This week we have finished our place value unit. The children have engaged with the end of unit assessment. It would be great if the children could continue to research Roman numerals to further solidify their learning during the unit. The next unit is based on addition and subtraction and will develop on the knowledge they already know and build on previous skills.
